

Northamptonshire Police and Crime Commission

Freedom of Information Act

Request Response

No. 000715/14

Question

Under the freedom on information act could I have the following.

1. Calibration details for Camera
2. Tax Details for Vehicle
3. Drivers training certificate for operating the equipment
4. Driver Permit for operating the equipment – i presume he is not a police officer.
5. Documentation as to why there is a camera stationed at the location, justification documents to local authority.
6. Information and the fines that have been imposed at this site and how much revenue this site makes.

Answer

With reference to your e-mail requesting information as reproduced below:

6. Information and the fines that have been imposed at this site and how much revenue this site makes. (The mobile camera site is located at A5199 Welford Road, Creaton (n), Northampton, United Kingdom).

I can confirm that Northamptonshire Police holds the information requested and I attach the statistics hereto. The site code that refers to the location you are interested in is 7117 on the list. I can confirm that Northamptonshire Police holds the information requested as follows:
