Freedom of Information Act Request Response No. 26092016-1

Question

"I want to know the number of reported fraud cases where a member of staff at a bank was allegedly involved in perpetrating the crime.

I would also like to know, in how many of these cases did the member of staff get convicted of the crime.

Finally, I would like a figure for the total amount lost to fraud where the case involved a member of staff at a bank. Again, I would like this figure to cover the period from the start of September 2011."
