#### Question

Towards the end of last year, I obtained the following documents from the Essex Police Commissioner:

<http://www.essex.pcc.police.uk/wp-content/uploads/2013/11/PSD-QUARTERLY-REPORTS-FOI-261113-FINAL-ISSUED.pdf>

These reports were requested by the Essex PCC and were drawn up by the force's Professional Standards Department and submitted via the Chief Constable. Can you please advise me if Adam Simmonds has been sent similar documents - detailing 'data and background to Complaints, Misconduct and other matters' - by Northamptonshire Police? If so, I would be keen on obtaining these documents covering the period from Jan 2012 - date.

#### Answer

I can confirm that the information you require can be found on the PCC website using the following links;
