

DECISION RECORD

Decision Record Number 245

This document records a decision taken by the Police, Fire and Crime Commissioner, together with details of the advice he received prior to taking the decision.

Decision taken

The Police, Fire and Crime Commissioner has taken the decision to:

- Decision to Terminate the Mint CS LLP Commercial Services Delivery and proceed with an in-house model to cover all procurement and tender activity for all levels
- Approve the recruitment of three additional posts to support the procurement and commercial services of the OPFCC, Northamptonshire Police and the Fire and Rescue Service. The PFCC will underwrite the cost of £173K per annum, for these posts for up to two years. However, this investment would bring a potential opportunity to realise income from any frameworks that may be set up and would reduce the cost of any investment.

Details of advice taken

Professional financial and legal advice has been sought to ensure the decision best supports business need and represents value for money.
